About Me

I am Abdul Kader Fayid P born and raised in Kannur, Kerala. After my formal studies, I was inspired and driven towards photography. I have completed my Professional Diploma in Art of Photography and Cinematography as well as KGTE in Photography from Creative Hut Institute of Photography, Kerala.

There is a lot more that I wish to do ahead in my photography and cinematography career. The world of visual media is vast and challenging too. I aspire to work in this creative field, by technically and artistically exploring the field of photography, cinematography and editing.
